Aadhar Card Update

3 Years Old Aadhar Now Invalid for Recruitments –

- Candidates must include the date on their most recent photo.
- The uploaded photo must be brought to the examination centre.
- The same photo should be used in the detailed application form during counselling and interviews.
- In the online application, candidates must scan and upload their left thumb impression along with their signature.
- Candidates will provide a thumb impression again at the examination hall to facilitate quick action against impersonation. An experience certificate must also be uploaded when completing the application form.
