

### Pattern of Exam

**LEVEL – 1 (Class 1 to 5)      Max. Marks : 150, TIME : 2.30**

**Level 1 will have five sections:-**

**Section I :** Child Development and Teaching Methods (30 Multiple Choice Questions 30 Marks)

**Section II :** Language I - Hindi/English/Sanskrit/Urdu/Sindhi/Punjabi/Gujarati (Language I must be selected from the list of languages mentioned in the application form. The language used in this section will be the same as the medium of instruction, which has been selected in the online application.) (30 Multiple Choice Questions 30 Marks)

**Section III :** Language II - Hindi/English/Sanskrit/Urdu/Sindhi/Punjabi/Gujarati (Language II must be selected from the list of languages mentioned in the application form. Which has been selected in the online application. But it will be different from the language selected as Language I.) (30 Multiple Choice Questions 30 Marks)

**Section IV :** Mathematics (30 Multiple Choice Questions 30 Marks)

**Section V :** Environmental Studies (30 Multiple Choice Questions 30 Marks)

**Note :-** If for any reason the candidate has solved the questions in a language other than Language I and Language II mentioned in the application form, then it will not be considered valid and his/her exam result will be prepared according to the language filled by the candidate in the application form. Any change in this will not be accepted.

**Level and nature of questions:-**

1. In the 'Child Development and Teaching Methods' paper, questions will be asked to test the understanding of educational psychology related to the level of reading and teaching of children aged 6 to 11 years, various mental levels of students, their needs, interactions with them and the qualities and characteristics of a good teacher etc.

2. In the Language I paper, questions will be asked to test the proficiency related to the language mentioned while filling the application. Which he has indicated in the application form.

3. Language II must be selected from the language list mentioned in the application form. Which he has indicated in the application form, but it will be different from the language selected as Language I. In this paper, questions will be asked to test the general understanding, communication and comprehension ability of Language II.

4. In the question papers of 'Mathematics' and 'Environmental Studies' subjects, questions related to concept, problem solving ability and study skills of the subject will be asked.

5. The standard of multiple choice questions will be based on the syllabus and subject matter of the academic session 2024-25 prescribed by the State Government for classes 1 to 5, but the difficulty level of the questions will be up to Secondary (Class 10).

6. The language medium of the question paper will be bilingual (except language subjects) in Hindi and English.
